

Thanksgiving Update

Dear Residents/Families/Friends,

As Thanksgiving quickly approaches this week, we want to take a moment to thank you for your continued support throughout this pandemic. Our facility has faced unprecedented challenges over the last eight months and we appreciate your patience and understanding as we do our best to ensure your loved ones remain safe.

We are extremely grateful that you have entrusted your loved ones to our care and we are making every effort to provide our residents with a wonderful Thanksgiving. And while the recent rise in COVID-19 cases all over the country has affected how we all are celebrating this holiday, we will be providing a traditional Thanksgiving meal for our residents to enjoy at lunch this year.

Unfortunately, we are not allowing any visitation at this time due to our county positivity rate of over 10%.

As a reminder, our total number of cases to date are as follows: 33 residents and 18 staff members have tested positive for COVID-19. Yesterday, 11-23-20, we received confirmation that one staff member tested positive.

We will test all residents again this week, and test all staff again on 11-25-200. Our regular weekly updates will resume next week and we will continue to update you on our website if we receive notifications of new confirmed cases of COVID-19. As always, if you have any questions or concerns please don't hesitate to contact us directly.

On behalf of the entire staff at Hearthstone, I wish you a happy and safe Thanksgiving.

Sincerely,

Susan Magluido
