

WEEKLY UPDATE

2-12-21

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update regarding the status of COVID-19 in our facility. Since the onset of this virus, we have had 67 residents and 40 staff members test positive for COVID-19. On 2-5-21, 89 staff were tested and all were negative. On 2-9-21, 87 staff were tested, and all were negative.

As always, we are working hard to keep everyone in our community safe and we will continue to practice the enhanced safety precautions that are known to prevent the spread of COVID-19, such as only essential personnel are allowed inside the facility and we screen them for signs and symptoms of illness prior to entering. Our residents are continually monitored and staff is using PPE as recommended by the CDC. Staff is frequently reminded and encouraged to practice social distancing and to use hand sanitizer and frequently wash their hands when they are in the facility and out in the community. We ask them not to report to work if they have symptoms of illness.

Please continue to check our website for weekly updates as well as notification of new cases. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly at 775-626-2224.

Sincerely,

Susan Magluilo

WEEKLY UPDATE

2-19-21

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update regarding the status of COVID-19 in our facility. Since the onset of this virus, we have had 67 residents and 40 staff members test positive for COVID-19. On 2-12-21, 88 staff were tested, and all were negative. On 2-16-21, 85 staff were tested, and all were negative.

We are watching Washoe County's positivity rate closely, as it continues to trend down. Once it is under 10%, the facility will start planning for in person visitation again. We look forward to this happening, as we know you and loved one does also! We will contact you or your loved one when we open up to visitors.

As always, we are working hard to keep everyone in our community safe and we will continue to practice the enhanced safety precautions that are known to prevent the spread of COVID-19, such as only essential personnel are allowed inside the facility and we screen them for signs and symptoms of illness prior to entering. WEEKLY UPDATE

2-25-21

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update regarding the status of COVID-19 in our facility. Since the onset of this virus, we have had 67 residents and 40 staff members test positive for COVID-19. On 2-19-21, 89 staff were tested and all were negative. On 2-23-21, 95 staff were tested and all were negative. We will continue to test our staff twice a week until the county positivity rate is below 10%.

As always, we are working hard to keep everyone in our community safe and we will continue to practice the enhanced safety precautions that are known to prevent the spread of COVID-19, such as only essential personnel are allowed inside the facility and we screen them for signs and symptoms of illness prior to entering. WEEKLY UPDATE

2-4-21

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update regarding the status of COVID-19 in our facility. Since the onset of this virus, we have had 67 residents and 40 staff members test positive for COVID-19. On 1-29-21, 83 staff were tested and all were negative. On 2-2-21, 85 staff were tested and all were negative. We will test all staff on 2-5-21.

We will continue to restrict in person visitation until the county positivity rate is less than 10%. In the meantime, we are happy to offer face time visits and window visits.

As always, we are working hard to keep everyone in our community safe and we will continue to practice the enhanced safety precautions that are known to prevent the spread of COVID-19, such as only essential personnel are allowed inside the facility and we screen them for signs and symptoms of illness prior to entering.
