

WEEKLY UPDATE

5-14-21

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update regarding the status of COVID-19 in our facility. We are happy to report that we currently have no confirmed cases of COVID-19 in our facility. To date, we have had 68 residents and 40 staff test positive. We are testing once a week currently, however, since the county positivity rate is now under 5%, we will transition to testing monthly. This week, 109 staff were tested, and all were negative.

You may visit your loved ones on designated visitation days. Please call our receptionist to schedule your visit!

Please continue to check our website for weekly updates as well as notification of new cases. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly at 775-626-2224.

Sincerely,

Susan Magluilo
