

WEEKLY UPDATE

9-25-20

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update regarding the status of COVID-19 in our facility. We are happy to report that, as of today, we have no confirmed cases of COVID-19 in our facility. The facility tested 120 employees this week. 101 have come back negative and we are still awaiting the results for the remainder. Testing on 9-18-20 came back 100% negative. We have been testing new admissions as well, and they have all been negative.

We are happy to report that due to the county's positivity rate, we are able to test our staff once a week. In addition, we will be opening up to visitation within the next week. We will keep you posted once our visitation plan is in place. We look forward to seeing you all again in the upcoming weeks!

Please continue to check our website for weekly updates as well as notification of new cases. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly at 775-626-2224.

Sincerely,

Susan Magluilo
